UTR Pro Tennis Tour (PTT) Rules and Regulations

Effective: September 1, 2020 to December 31, 2021 unless revised earlier.

Last revision March 9, 2021

I. PURPOSE AND APPLICABILITY

Universal Tennis LLC (UTR) has created the UTR Pro Tennis Tour Tournament Regulations for the purpose of providing fair and reasonable rules for the orderly and uniform conduct of international professional tennis tournaments as part of the tour. All references to the UTR in these Regulations shall mean Universal Tennis LLC and PTT shall mean UTR Pro Tennis Tour. These Regulations shall be applicable to all Tournaments sanctioned as part of the UTR Pro Tennis Tour.

For these UTR Pro Tennis Tour Regulations, the following definitions shall apply:

- Regulations refer to UTR Pro Tennis Tour Rules and Regulations including the Code of Conduct, applicable appendices, UTR Pro Tennis Tour organizational Requirements, and the ITF Rules of Tennis. These Regulations can be amended from time to time by UTR.
- UTR Pro Tennis Tour Organizational Requirements also known as Organizational Requirements are the Regulations that a Tournament Organizer must follow when running a PTT tournament.
- The Tournament Week is an assigned week on the calendar for each PTT tournament defined by the date of the Monday of that week. Both Qualifying and Main Draw will begin on Sunday and the tournament must finish no later than Sunday of the same week.
- Each player entrant in a PTT tournament agrees as a condition of such entry to abide by and be subject to these regulations and any other regulations, policies, or requirements as enforced by a Tournament Organizer, approved by UTR for inclusion on the players entry form.
- Approval to sanction a PTT tournament may be subject to conditions imposed by UTR in its sole discretion.
- UTR reserves the right to refuse approval of or cancel any previously sanctioned PTT tournament or PTT for reasons of health, safety, security or any other potential threat to any persons attending the PTT(s) or to the successful running of the PTT(s), without any liability on behalf of the Tournament Organizer, or UTR. For the avoidance of doubt, neither UTR or the Tournament Organizer shall be liable to any players or any other persons or entities for any costs that they might have incurred in relation to such cancelled competitions, including, without limitation, any transport and/or accommodation costs. This decision will be made on behalf of the UTR by the Executive Committee.

Tournament Personnel

1. Tournament Director/Administrator

Each UTR Pro Tennis Tour tournament must have one or more persons (i.e. the Tournament Director(s))
to be the point of contact for UTR for all communications. The Tournament Director will be responsible for all aspects of the organization of the tournament, with the exception of all matters relating to the UTR Pro Tennis Tour rules of competition and format, the Rules of Tennis and all on-court issues, which are the responsibility of the Referee onsite.

The Tournament Director and/or Tournament Administrator must be on-site throughout the whole tournament, ready to solve any problems related to the organization of the tournament, players, officials, media and spectators. He/she must be English speaking and be fully aware of the responsibilities of his/her position. He/she is prohibited from competing in a tournament for which he/she is undertaking this/these role(s).

The Tournament Director must have a private office with a computer, desk, Internet Access, and a minimum of one international telephone line. These numbers must be provided on the Tournament Fact Sheet, photocopier and sufficient supply of photocopying paper; Microphone for Public Address System (if necessary), Communication devices, such as walkie-talkies, must be provided to the Referee, each Chair Umpire and the Sports Medicine Trainer (PHCP).

The Tournament Director is obliged to enforce UTR’s final decisions on site if required.

2. Officials
Each tournament, in conjunction with UTR, must appoint and provide an appropriately nationally certified and experienced official to act as the Referee. The Referee must be available onsite throughout the tournament week, from the Qualifying until after the final match of the tournament has been completed, unless otherwise approved by Universal Tennis.

The Referee is responsible for all aspects of play during the tournament, and act as the final authority for on-site issues related to the interpretation of applicable Regulations, Rules of Tennis, Code of Conduct, and the Duties and Procedures for Officials as to all matters arising that require immediate resolution at the Tournament site. The Tournament Director is obliged to enforce the Referee decisions on site if required.

Names of the designated officials must be provided to UTR at least three (3) weeks in advance of the Tournament. Tournament directors and national associations are encouraged to provide this information well in advance of the deadline. Failure to comply with this deadline may result in the removal of the tournament from the UTR Pro Tennis Tour.

2.1 Chair Umpires

The UTR PTT has a minimum officiating requirement of (1) nationally certified chair umpires on each match court at all times, not including the Referee. Additional chair umpires are scheduled to allow for rotation onto the match courts. The chair umpires must make all line calls during the match and input the required score and data into a tablet provided by the tournament. Comfort in operating the tablet is needed and training is required by the Referee.
In playoff matches, it is recommended to have at least one line umpire on court with the chair umpire to assist in line calls. Tournaments that wish to supply a higher certification level of officials or more officials than the minimum requirement are encouraged to do so.

The tournament is responsible for all fees for all umpires and/or line judges and meeting other conditions as required.

3 Tournament Doctor
The Tournament Director is strongly suggested to appoint and pay all costs for an English-speaking medical doctor to be on call in proximity of the tournament site at all times during playing hours. If it is more practical or cost efficient for the tournament that the doctor conducts necessary player consultations and treatments off-site, the costs of consultations / treatments that could practically be conducted by the doctor on-site remain the responsibility of the Tournament Director.

All players accepted and competing in the tournament, including eligible Lucky Losers shall be eligible for treatment from the doctor, as a minimum for the duration of their participation in the tournament.

The cost of hospital treatment or any other off-site medical treatment (except as described above) is the responsibility of participating players at all levels of the tournament.

4 Sports Physiotherapist/Trainer
All players accepted and competing in the PTT, including eligible Lucky Losers, shall be eligible for treatment from the Sports Physiotherapist/Trainer, as a minimum through the day of elimination. Where the Tournament Director is responsible for appointing the Sports Physiotherapist/Trainer, he/she must ensure the Sports Physiotherapist/Trainer has appropriate qualifications and experience to treat players. Sports Physiotherapists/Trainers must be familiar with standard tennis medical treatment procedures and the general Rules of Tennis.

The Tournament Organizer must appoint an English-speaking Sports Physiotherapist/Trainer to provide on-site health care services for the players at no cost to them, beginning one hour before matches commence until completion of all matches.

A reasonable fee may be charged for massage, although it is recommended that this is also provided free of charge.

Related Regulations

It is the player’s responsibility to contact the Referee with any questions about the time and location of the Sign-In Deadline.

2. Lucky Losers must be ready to play in proper tennis attire within a total time of five (5) minutes after the announcement of a vacancy. Matches must commence without delay after the selection of the Lucky Loser.

3. If the eligible Lucky Loser is not available according to paragraph 2 above, they shall be placed at the bottom of the Lucky Loser priority list for that day. If a player does not sign up for Lucky Loser status one day, they may still sign up on the next day.

**M. Late Cancellations**

In the event that a Tournament is cancelled after the Registration Deadline, players accepted into that Tournament may, if eligible, at the UTR’s discretion, be placed as “next in” on the Main Draw or Qualifying Acceptance List, as appropriate, of another Tournament taking place in the same region in the same week.

**VIII. Pro Tennis Tour World Cup Draws**

All PTT singles Main Draw shall consist of either 20 or 32 players. The Qualifying draw shall consist of 8 players.

**A. Composition of Draws**
The 20 or 32 draws shall be composed as detailed in the Tournament Format document or as described in the PTT Tournament’s event overview. All Direct Acceptances will be based upon UTR PTT Ranking/UTR Rating.

B. Seeds

Each Tournament will have a seeded draw with seeds determined as follows:

1. Seeding List

Tournament seedings will not be official until the draw is made.

In Singles, seeding shall be based on fully reliable UTR ratings at the time of making the draw.

C. Making the Draw

All draws shall be made by the Referee and UTR.

1. Time of Release

a) Qualifying - No later than 19:00 hours (7:00pm) local time on the day before the start of play
b) Main Draw - No later than 19:00 hours (7:00pm) on the day before the Main Draw starts and the Order of Play must be posted no later than one hour after the draw has been made.

2. Method of Draw

The draw shall be made as follows:

a) Qualifying draw

i) Sections- The Qualifying Draw shall be made in sections, with one section for each place allotted in the Main Draw. The top 4 players based on fully reliable UTR will be placed at the top of each section.

b) Qualifiers/Lucky Losers

At the conclusion of the Qualifying competition, the successful Qualifiers will be randomly drawn for their places in the Main Draw. There shall be no prior designation of which Qualifying section applies to which Qualifying place in the Main Draw.

Likewise, when more than one eligible Lucky Loser is to be inserted into the Main Draw, their positions shall be drawn.
If the Qualifying event is not completed at the time of the draw, then the places for the Qualifiers and Lucky Losers (if any) shall be designated as “Qualifier” or “Qualifier/Lucky Loser” with their identity to be determined by draw at the conclusion of the Qualifying event. The Lucky Losers shall be drawn together with the Qualifiers.

If there are not enough Lucky Losers or Alternates to fill the withdrawals in the main draw, a bye will be placed into the group with the highest seed and all players in the group will be given a bye against the vacated spot.

C) Main Draw

The PTT Main Draws will be composed of groups stages leading into playoff rounds.

Each group will consist of one player randomly selected from ranking bands dividing the overall number of players by the overall number of groups:

The playoff rounds will be filled by players depending on their group stage results.

For specific information on each main draw, please refer to https://myutr.com/ptt and in the tournament event details as shown in the myutr.com site.

D. Withdrawal and Replacement of Seeds

Any vacancy created by the withdrawal of a seed prior to the release of the first order of play on Day 1 of the Round Robin phase shall be filled by the next highest ranked player in the draw. That spot will be filled by the next highest ranked player in the subsequent band and so on until the last replacement will be filled by an eligible Lucky Loser.

Any vacancy created by withdrawal after the start of the Main Draw will be replaced by an eligible Lucky Loser.

E. PTT Format and Tiebreaker Advancement

The group/round robin stages will run from Sunday or Monday to Wednesday with the possibility to move matches into Thursday based on inclement weather. All matches will be best of 3 tie break sets with regular scoring. The following criteria is used to determine the final round robin group standings and resolve any ties.

1. Greatest Number of Wins
2. Head to Head result if only two players are tied
3. % of sets won
4. % of games won
5. Overall UTR at the beginning of tournament play
6. Coin toss
The UTR standings, updated after every match, will determine advancement.

The Playoff Rounds will run from Thursday to Sunday with the possibility to start matches on Friday based on inclement weather. All matches will be best of 3 tie break sets with regular scoring.

F. Lucky Loser Replacement and Advancement Scenarios

An eligible Lucky Loser may replace an injured player in the group stages, even after the event has started. The record of the Lucky Loser would start from scratch and the above advancement tiebreakers would apply.

IX. PLAYERS’ REST

A. Between Tournaments

It is the players responsibility to contact the Tournament Organizer and Referee for all scheduling information and requests. The Tournament Organizer and Referee shall give consideration to all requests, while adhering to the overall schedule of matches.

B. Between Qualifying and Main Draw

Other than in exceptional circumstances, no player shall be required to play his first-round match in the singles Main Draw until at least two (2) hours when possible after the completion of his final Qualifying match.

C. Between Matches

X. ORDER OF PLAY AND SUBMISSION OF RESULTS

A. Scheduling and Order of Play

1. Release of the Order of Play

Once the Referee determines the following day’s Order of Play, it shall be released both on-site and via the PTT tournament page no later than one hour after the end of play, and earlier if possible. Players are expected to check the official Order of Play. Players should be aware that the last match on any court may be moved to a different court or re-scheduled.
2. Failure to complete Tournament

If a PTT tournament cannot be completed within the Tournament Week because of bad weather, at the option of the Tournament Organizer one extra day shall be allowed. The Tournament Organizer and Referee shall seek approval from UTR for match times on the extra day, which shall then be scheduled during the morning or early afternoon. No further extension of the Tournament shall be permitted without the approval of UTR.

B. Results

At the end of each day’s play at PTT tournaments, including the completion of the tournament, the Referee shall submit, using the UTR platform, updated tournament results for Main Draw and Qualifying. Only results occurring on that day shall be submitted.

XI. DATA RIGHTS

A. Scoring

UTR will have the exclusive right to provide a scoring service at any PTT event. Each Tournament Organizer will assist UTR in its efforts to produce the service.

B. Protection of Tournament Data

Each Tournament shall not allow or authorise the dissemination, transmission, publication or release of any match score or related statistical data from the grounds of the Tournament.

The use of laptop computers, mobile phones or other handheld electronic devices to collate, collect, use, store, reproduce, onward supply or make available any Official Data for purposes relating to gambling or betting within the confines of the Tournament match courts (spectator areas) shall be prohibited and each Tournament shall take reasonable steps to enforce such prohibition (including without limitation by means of venue and spectator regulations, ticket conditions and accreditation terms). **B. Uncompleted Matches**

If a PTT tournament is cancelled due specifically to poor weather, and there has been no play, the lowest band of prize money will be paid out to all players. If play has commenced and been terminated before the tournament is concluded players will be paid loser’s prize money for the individual round reached.

Prize Money shall be paid only for matches played. For purposes of this section a match is played when it is won as a result of a Retirement, Default, Walkover or No Show.

If a PTT tournament is officially cancelled during the final(s) and the final(s) have not been completed, the finalists will each receive finalists’ prize money. Any remaining difference between the winner and finalist prize money will revert back to UTR.

**C. Defaults, Byes, Withdrawals and Retirements**

Prize money awarded will be awarded as follows:

1. General

a) No prize money will be awarded to a player who withdraws or is a “No Show” without playing their first match.
b) A match won by retirement, default or walkover will count as a match won in standings and will thus count for subsequent prize money.

2. Defaults

Any player or team who is defaulted shall lose all prize money earned for that event at that Tournament, unless:

i) The player was defaulted for a violation of punctuality or dress and equipment.

ii) The player was defaulted as a result of a medical condition.

3. Withdrawals and Retirements and Reduction in Prize Money

During the Round Robin Group Stage, if a player withdraws, there will be a reduction in prize money. Players will only be paid for the percentage of matches they competed. For example, if a player plays one match and withdraws and the Alternate plays the other three matches, the withdrawing player would be entitled to 25% of the minimum prize money of the alternates finishing position in the group stage. The Alternate is eligible for any further money based on wins minus the original 25%. Please see the chart below for more details (1 match = 25%, 2 matches = 50%, 3 matches = 75%).

During the Playoff Stage, a player that withdraws from a positional semi-final match prior to the commencement of that match is only eligible to receive the prize money amount associated with four places lower than their final position (i.e. if a players final position following the withdrawal out of their semi-final is 3rd/4th place, they will receive prize money equivalent to the 7th/8th position with the same holding true for all lower band positional play-off draws).

A player that withdraws from a positional final match prior to the commencement of that match is only eligible to receive the prize money amount associated with four places (20 Draw) or two places (32 Draw) lower than their final position (i.e. if a players final position following the withdrawal out of their final is 2nd place, they will receive prize money equivalent to the 6th position with the same holding true for all lower band positional play-off draws). See tables below.

In the 5th playoff draw (20 Draw), players are only eligible to receive 75% of the prize money attributable to their current position at the time of the withdrawal. (i.e. 75% of $400 for semifinalists.)

Any player competing with less than Best Efforts will be subject to penalties in accordance with the Code of Conduct including Referee authority to default a player.
